CERTIFICATION
INSTITUTION

ENERGY MANAGEMENT SYSTEM
CERTIFICATION SCHEME FOR MANUFACTURING

Has been awarded this certificate for compliance with the standard:

ISO 50001:2015

Product: Energy Management System

Scope: Energy management activities involved in the design and testing of semi-conductor devices and integrated circuits

Design and energy management system is as follows:

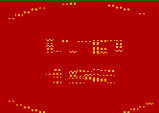

Issue
2015/01/15

Expiry
2017/01/15

Initial Issue
2015/01/15

Recertification
2017/01/15

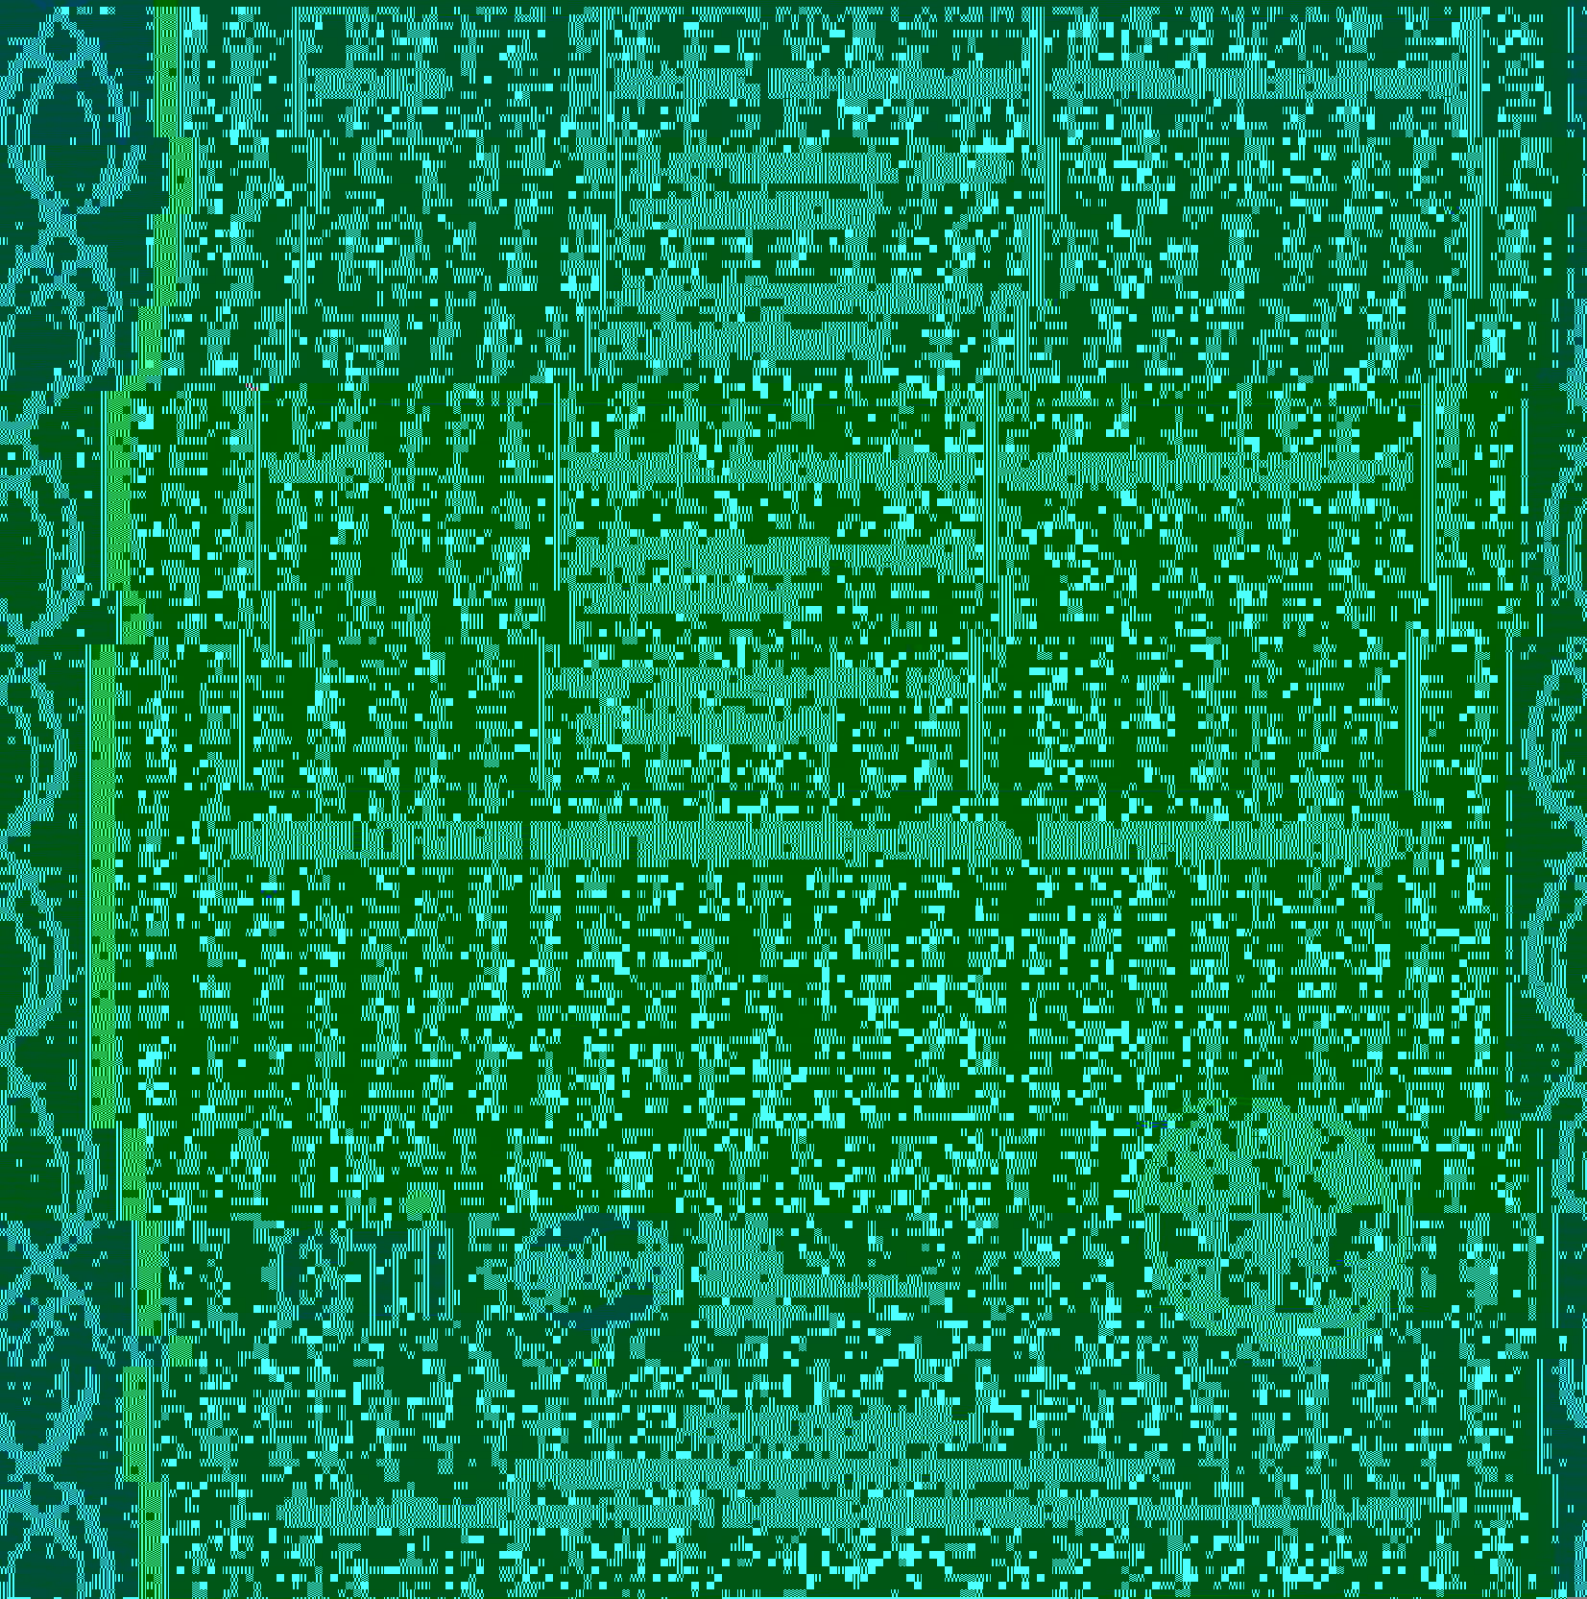

The scope of certification under the conditions shall be used together with the certificate and shall not be used for any other purpose. The certificate shall be used for the purpose of demonstrating compliance with the standard. The certificate shall be used for the purpose of demonstrating compliance with the standard. The certificate shall be used for the purpose of demonstrating compliance with the standard.
